SRI SIDDHARTHA INSTITUTE OF TECHNOLOGY

SEEING IS BELIEVING

Sri Siddhartha Institute of Technology is one of the premier institutes in Karnataka, dedicating to the cause of technical knowledge, since its inception in 1979 by "Shikshana Bheeshma" Dr. H M Gangadharaih. SSIT is a constituent college of Sri Siddhartha Academy of Higher Education (a deemed to be university), established with the aim of providing quality higher education, leading to gainful placement.

Our Institution is providing an ambient atmosphere for learning with a dedicated team of educators. SSIT is conducting an open house on 24th and 25th May 2024 from 9:00 a.m. to 5:00 p.m. The event is one of our best practices. Project Exhibition, Lab Demos, Visits to CoEs, Gym, Library, etc are planned for the benefit of school and college students, parents and public so as to explore and get enlightened with academic experts and students.

On behalf of the SSIT family, we warmly welcome you to the open house event at our campus.
