NEWS LETTER

(For Private Circulation Only)

Principal Desk

Dear Alumni,

It gives me immense pleasure to place before you this year edition of our news letter 'Sethu-Bandha', engraved well in all its useful contents in true colors and grandeur. I firmly hope that you would receive it with ecstasy.

'Sethu-Bandha' is the annual Alumni-Meet arranged at the parent institution, the SSIT-Tumkur, mainly to provide a nice platform for our proud alumni to exchange their pleasantries, meet their beloved teachers and young enthusiastic students. The alumni would be addressing our students by giving valuable advice to successfully pursue their career, amidst all the new competitions and technological challenges faced by them.

The institutions would be very happy to have you all here each year, during 'Sethu-Bandha', which would expectedly pave way for a sort of "giving back to the Alma-mater" by our top-notch alumni friends.

I extend a warm welcome to all my alumni members to "Sethu-Bandha", whom we consider as our pillars of strength and brand ambassadors of our institution. I wish that you would find this news letter worth browsing through for a while.

With warm regards

- Dr. M.S. Raviprakash
