Electrono
Evolving Ideas.. Engineering Innovations!

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after called as the 'MoU') is entered into on this the 19th August Two Thousand and Nineteen (19/08/2019) by and between **M/s Electrono Solutions Pvt. Ltd.,** having its office at, #513 Vinayaka Layout, Immadihalli Road, Whitefield, Bengaluru -560 066, Karnataka

And

Sri Siddhartha Institute of Technology, Maralur, Tumkur-572105, Karnataka (**Department of Electrical and Electronics Engineering**-herein after referred as DEEE, SSIT)

[**M/s Electrono Solutions Pvt. Ltd. and SSIT** are herein after jointly referred as "Parties' and individually as 'Party']

Recitals:

(A)   M/s Electrono Solutions Pvt. Ltd.

(i) M/s Electrono Solutions Pvt. Ltd. is a Research Infrastructure Management, design, consultancy and automation solutions provider for the Industry and Academia.

(ii) It aims at addressing the Research Infrastructure needs of Research Institutions, Universities performing research, large enterprises with Research Setups, small and medium scale enterprises needing research support, research scholars and engineering students pertaining to research studies of their interests.

(B)   SSIT is one of the premier institutions in the country:

SSIT (established in 1979) is a Constituent College of Sri Siddhartha Academy of Higher Education, a Deemed University under Section 3 of UGC Act, 1956.

(i)   Approved by AICTE and engaged in provision of various educational courses and programmes.

(ii) One of the better performing institutions selected under Technical Education Quality Improvement Programme (TEQIP) in phase I and II by SPFU, NPIU and World Bank Authorities.

(iii) DEEE (started in 1980) is a reputed department in SSIT with renowned faculty and dedicated staff members accredited by National Board of Accreditation (NBA), New Delhi in Tier 1

A)   The purpose of this MoU is with reference to exploring the areas of cooperation, benefitting both DEEE of SSIT and **M/s Electrono Solutions Pvt. Ltd.**

B)   The Industry–Institute Interaction programme involves organizing various programmes to bridge the gap between campus and Industry and thereby enhancing the employability of emerging workforce.

Some of these activities are:

- ➤ Framing the Curriculum
- ➤ Workshop for Students
- ➤ Best Student Project Awards
- ➤ Best Student Award to encourage healthy competition at colleges
- ➤ Internship/Externship Training opportunity and Technical Project support for students.
- ➤ Faculty Development Programme for Teachers.
- ➤ Product Development, Publications, Patent.
- ➤ Joint publications.

C)   This MoU may not be amended without prior written consent of both the parties.

D)   **This MoU will be effective for five years from 19.08.2019 to 18.08.2024. This MoU can be renewed based on mutual convenience.**
