International Virtual Conclave on Digital Currency

Tumkur : The Program was started with an invocation of Lord Krishna and blessings of Goddess Lakshmi shloka by Dr P Hemalatha, Asst. Professor, Department of Chemistry, SSIT.

Dr M S Raviprakash, Principal, Sri Siddhartha Institute of Technology, Tumkur, given a welcome speech in the conclave.

Dr P Balakrishna shetty, Hon'ble Vice Chancellor, SSAHE, Tumkur, given a brief introductory remarks on this virtual Conclave and also he has moderated all the sessions throughout the conclave. In this Introductory remark, Dr P Balakrishna Shetty started with the thought "innovation is the theme of our University" and Digital Currency is modern trend, all the people should update to this circumstances. He has clearly given the history of Indian currency and its flow from metal coins to digital era.

Dato' Sri Dr. Devamany, Former Minister, Govt of Malaysia, who is the chief guest for the Conclave. He shared his view on the cryptocurrency and digital currency prospects. The Digital Currency definitely can be the victim of circumstances and it will be the very essential tool for the current era throughout the world. After the chief guest address session wise discussion started.

Speaker 1, Rezwan Razack, Managing director, Prestige Group, Bangalore & Chairman, International Bank Note Society, addressed on history of Indian paper currency. He was sharing almost 50 Years of Experience on Indian economy transactions and he shared his thought and views on Indian paper currency. He is having a big paper currency museum at Bangalore. Speaker 2: Dr. Rangappa K B, Dean & Professor, Dept. of Economics, Davanagere University, India, added to the same topic history of Indian paper Currency. Now a day's digital currency progression is more and also every citizen should adopt new system. But Indian currency is also having 500 Years of History and also he shared the importance of paper currency and digital currency in modern era.

Speaker 3: Dr. Jayanth Bandari, Former CEO, Investment Manager, USA spoke on Money and the state of the Economy in India. He shared his views on Indian economy and given the statistic of Indian Economy.

Speaker 4: Dr. Shripathi Kalluraya P, Professor,

Dept. of Economics, Mangalore University, India, discussed on the same topic Money and the state of the Economy in India. He shared his views on importance of money in India started from 1990s only. Before this all the people were given the importance to the food.

Speaker 5: Dr. Arvind K. Jain, Professor, Dept. of Finance, Concordia University Montreal, Canada, spoke on Crypto currencies versus Central Bank Digital currencies. He has discussed on the types of Digital currency. Pure crypto currencies like bit coins have large price fluctuations. Most important Use is as a speculative asset. Price Could increase only if the number of players in the market increases – helped by celebrities like Tom Brady – Values Parallels a Ponzi Scheme.

Speaker 6: Dr. Vishwanatha, Professor and Chairman, Dept. of Economics, Mangalore University, India, has added to this, the main contribution of Bitcoin is Block chain Technology. Block chain replaces the need for trusted intermediary

Speaker 7: Dr. Satinder Bhatia, Dean (Academics), Professor & Chairperson, IIFT, New Delhi, India was discussed on Economics of Crypto Currencies and Accounting for Crypto Assets.

Speaker 8: Dr. Bipin Sony, Professor, Bangalore Dr B R Ambedkar School of Economics (BASE), India was added to the same topic Economics of Crypto Currencies and Accounting for Crypto Assets. He was speaking on the advantages, disadvantages and also illegal activities on cryptocurrencies.

All the sessions were completed and concluded by Hon'ble Vice Chancellor Dr P Balakrishna Shetty and whole programme was ended with vote of thanks by Dr K Sunil, HOD Chemistry and Coordinator of this programme.

Editor's message

- Covid-19 vaccination drive was successfully held at SSIT campus in association with Tumkur Taluk Health Office, District Health & Family Welfare Dept, GoK, NSS and NCC. Nearly 1100 staff, students and local residents took the vaccine till date.
- RT-PCR test was conducted for nearly 350 staff and students
- International virtual conclave on digital currency was held, many international speakers took part in this conclave

- Good number of students are placed through campus interview
- Many faculty members attended webinars, FDP, workshops. Few faculty members have presented papers in conferences, seminars.
- Dr.K.B.Shivakumar, HoD ETCE Dept was the chief guest for the valedictory function of Toyca-thon -21 organised by KIT, Tiptur
- Go green activity was organised in association with HDFC bank.

Department of Information Science and Engineering

Workshops

- Dr. SUMA R, has participated AICTE Training And Learning (ATAL) Academy Online Elementary FDP on “RECENT TRENDS IN CYBER SECURITY DOMAIN” from 05-07-2021 to 09-07-2021 at MANONMANIAM SUNDARANAR UNIVERSITY.
- Mrs. Vani B V has participated AICTE Training And Learning (ATAL) Academy Online Elementary FDP on “Integrated Data Analytics -the Tools and Applications around Industry Verticals” from 05-07-2021 to 9-07-2021 at Holy Cross College (Autonomous), Tiruchirappalli-2.
- Mr. Prasanna Kumar M has participated AICTE Training And Learning (ATAL) Academy Online Elementary FDP on “Block-chain: A Disruptive Technology” from 02-07-2021 to 02-07-2021 at Pandit Deendayal Energy University.

FACULTY ACHIEVEMENTS

1. Prof Babitha M N has participated in Six Days National On-line Faculty Development Program on “Multi Technologies” organized by Department of Information Science and Engineering, Don Bosco Institute of Technology, Bengaluru in collaboration with Brain O Vision Solutions India Pvt. Ltd. and National Youth Council of India held during 28/06/2021 to 03/07/2021.
2. Prof Babitha M N and Prof Sindhu has participated in Webinar on “Research Thesis Writing Skill” organized by R&D, IEDC, IQAC Cells and EIE Department, Bangalore Institute of Technology, Bengaluru on 6th July 2021.
3. Prof Sindhu T N has participated in Webinar on “Research Thesis Writing Skill” organized by R&D, IEDC, IQAC Cells and EIE Department, Bangalore Institute of Technology, Bengaluru on 6th July 2021.
4. Dr.B.H.Manjunath, Assistant Professor, Department of Civil Engineering participated 5days faculty development programme from 5th to 9th July 2021 on “Recent trends in design, construction and maintenance of concrete pavements”, organised by Mar Baselios College of Engineering and Technology,(MBCET), Thiruvanthapuram,Kerala.
5. Mr Pradeep A R , Assistant Professor, Department of Civil Engineering participated 5days faculty development programme from 05/07/2021 to 09/07/2021 on “Earthquake Response and Vibration Control of Lifeline Structures”, organised by Collage of Engineering PUNE in association with ATAL –AICTE.
6. Mrs Roopa M and Mr. Mithun K, Assistant Professor, Department of Civil Engineering attended “Internship Interaction” as Resource Person on 6th July 2021 for the VIII Semester students of B.E. Civil Engineering, Channabasaveshwara Institute of Technology, Gubbi, Tumkur, through video conferencing.

Faculty Development Programme

Mrs. Bindu A U, Assistant Professor, Department of Electronics and Communication Engineering, participated and completed successfully AICTE training and learning (ATAL) academy online elementary **Faculty Development Programme** on “**Electrospinning Nanofibers: Science, Technology and Applications**” from 2021-07-12 to 2021-07-16 at Indian Institute of Information Technology Nagpur.

Dr. Chidananda Murthy, Assistant Professor, Department of Electronics and Communication Engineering, attended lecture series on “AgriTech (Technologies, research, applications, successful implementations, future scope in agriculture) on July-17-2021, organized by IEEE Bangalore Section.

Department of Physics

M. Nagaraja published a research paper entitled “Synthesis, electrical, and dielectric properties of novel polyaniline/strontium di-nitrate composites”, Polymer Composites, Published online on July 2021. DOI: <https://doi.org/10.1002/pc.26210>. SCOPUS and Web of Science Indexed. Impact Factor: 3.171

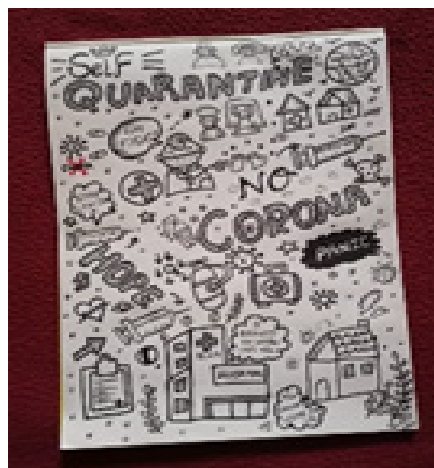

Quality & Management Best Practices

A webinar on “Quality & Management Best Practices” on 16th July 2021 for UG and PG students in association with industrial engineering by Mr. Anuj Goel, Director, VQMS. Pvt. Ltd Batluri Tilak Chandra published a technical paper on “Effect of chill casting on dry sand abrasive wear behaviour of Aluminium LM6 reinforced with albite particulate metal matrix composite”, Materials Today: Proceedings, Elsevier and also participated 5 day FDP on “Fuel Powerd, Hybrid and Electric Modern Vehicles” organized by Department of Automobile Engineering, Vallurupalli Nageswara Rao Vignana Jyothi Institute of Engineering and Technology, Hyderabad during 19th-24th July 2021. Mr. Lohith.N participated 5 days Faculty Development Programme on “Multidimensional skillset of current generation of teaching professionals” from 14th -18th July 2021 organized by PEC, Tamil Nadu. Mr. Meghani Molies Reddy participated one week Faculty Development Programme on “Advances in Materials and Manufacturing” organized by SJM institute of Technology, Chitradurga from 12th to 16th July 2021.

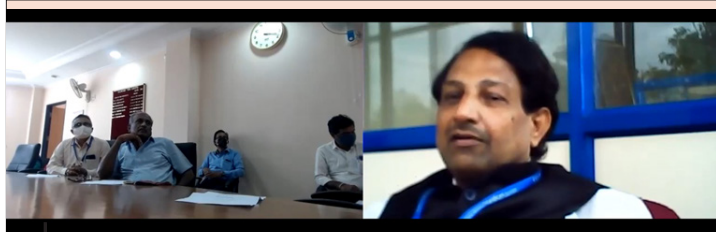

Department of IEM

- Dr.S.N.Lakshminarasimhan Prof & HoD
- Attended online IEM Board of Studies meeting of Dr.AIT, Bangalore on 13-7-2021
- External Examiner for the online comprehensive viva voce of Ph.D scholar of DSCE, Bangalore on 19-06-2021
- Harshitha.H.K (17IM009) is placed in Qspiders through campus interview process
- Dr.B.S.Ravikiran attended Need assessment, procurement and technical meeting held at Tumkur District Health & Family Welfare Dept Office ,GoK on 28-7-2021

“Say no to Plastic, Save Yourself”

The virtual valedictory function of Toycathon-2021

The covid outbreak had shattered the lives of all most of us during the month of April and May. We were locked ourselves at home without enjoying the chirping melody at the dawn and dusk sticking on to the seats watching television eating all the junk prepared by to be master chefs. Mother Nature knows how to balance the things which is not going right. Man threw the plastic on the face of Mother Nature and in return she wrapped the man by the same plastic. Man has to learn a lesson atleast now if he wants to give his offsprings, a better environment down the line.

India, despite being a home of many globally popular games like Chess, Ludo, Snakes and Ladders, is not among leading developers and manufacturers of toys. Under the “AatmaNirbhar Bharat Abhiyan” initiated by our Hon’ble Prime Minister, Shri. Narendra Modi, Toycathon-2021 is conceived to challenge India’s innovative minds to conceptualize novel Toy and Games based on Bharatiya civilization, history, culture, mythology and ethos. Toycathon

2021 is an inter-ministerial initiative organized by Ministry of Education’s Innovation Cell with support from All India Council for Technical Education, Ministry of Women and Child Development, Ministry of Commerce and Industry, Ministry of MSME, Ministry of Textiles and Ministry of Information and Broadcasting.

Currently, India’s toy market stands at around 1.5 Billion USD, which primarily is dominated by imported toys. Moreover, majority of these toys do not represent Indian heritage, civilization and value systems. Toycathon 2021 is a unique opportunity for Students, Teachers, Start-ups and Toy experts/professionals in India to submit their innovative toys/games concepts and win large number of prizes worth Rs. 50 lakhs.

It’s a proud moment for the department and college as Dr. K B ShivaKumar, HOD, had been invited as a chief guest for a virtual valedictory function of “Toycathon-2021”, Digital Edition held on 24th June 2021 organized by K.I.T, Tiptur being one of the nodal centres.

In the same time, Dr. Srinidhi G A has been recognised and selected as an editorial member for one of the refereed journals, IJASI with effect from June 2021.

Scan the QR code to watch the record of valedictory function of Toycathon-2021

During this lockdown some of our faculty members have best utilised the opportunity to gain that extra knowledge which is need of the hour by attending online webinars and training programs listed in the table-1.

Sl. No.	Name	Webinar/Workshop/Training Program	Organizer
1	Swarnalatha G L	AICTE-ISTE approved refresher programme on “Acceleration: An accelerator for quality improvement in engineering education”.	S.D.M. College of Engineering & Technology, Dharwad, Karnataka
2		One day virtual workshop on “Sources of Research Grants and Art of Writing a Research Paper”.	R.L.Jalappa Institute of Technology, Doddaballapur, Karnataka.
3	Sumana L	AICTE-ISTE approved refresher programme on “Acceleration: An accelerator for quality improvement in engineering education”.	S.D.M. College of Engineering & Technology, Dharwad, Karnataka.
4		One day virtual workshop on “Sources of Research Grants and Art of Writing a Research Paper”.	R.L.Jalappa Institute of Technology, Doddaballapur, Karnataka.
5	Dr. Srinidhi G A	Completed the assessment as Trainer with Grade 'B' for the Qualification Pack of Trainer (MEP/Q2601) - v1.0 conforming to National Skill Qualification Framework Level – 5.	National Skill Development Corporation, a Skill India Initiative.
6		NAAC Sponsored National Level Webinar on “Orientation Programme for Re-Accreditation of Autonomous Colleges”.	The National College, Jayanagar, Bangalore.
7		5-Days National Level Online Faculty Development Program on “Multidimensional Skillset of Current Generation of Teaching Professionals”	Prathyusha Engineering College Poonamallee-Thirivallur High Road, Thiruvallur-602025, Tamilnadu, India

Department of Electrical and Electronics Engineering

NAME	DATE	TOPIC	ORGANIZATION
Dr. L Sanjeev kumar	4th June 2021	Organized webinar on Carrier opportunities for Engineering Fresher's in association with SSIT, Electrical Department	Department of E&EE,SSIT Tumakuru
Shri Harsha J	26th June 2021	Project Guided on VSC based HVDC transmission scheme for offshore wind	GSSS Institute of Engineering and Technology For Women,Mysuru.
Thejaswini R	26th June 2021	Project Guided on Solar Powered Smart Bag for all aged people.	GSSS Institute of Engineering and Technology For Women,Mysuru.
Gurunandan P H	3rd June 2021	Participated workshop on Sources of Research Grant's and Art of Writing a Research Paper.	Department of Mech Engg,SSIT Tumakuru
Gurunandan P H	7th – 10th June 2021	Participated in Think-Pair-Share.	Organized by SRM Institute of Science and Technology, Chennai.
Gurunandan P H	25th – 26th June 2021	National FDP On “Aspects of Research Paper Writing”.	Khandelwal vaish Girls Institute of Technology, Jaipur.
Thejaswini R	28th June 2021- 2nd July 2021	FDP on “Advances in Electric Vehicles”.	Vidyavardhaka college of Engineering, Mysuru.
Gurunandan P H	3rd July 2021	Webinar on Carrier opportunities in Physics.	Department of Physics mLAC, Bangalore.
Praveen Kumar C	19th July 2021	Speaker for Webinar on Engineering and Entrepreneurship.	SAIRAM college of Engineering, Bangalore.

Students Achievements

SUSTAINABLE DEVELOPMENT

We might read many definitions for sustainable development, but it can't be achieved until we practice it in our daily lives.

“The idea that human societies must live and meet their needs without compromising the ability of future generations to meet their own needs”, this is the official definition of sustainable development. Economic development, social development and environmental development are the three pillars of sustainable development.

Environmental development is the much more important. Since it involves all the major developmental activities in the ecosystem and deals with renewable and non-renewable resources, climate change,

construction, biodiversity and vegetation.

In this part of sustainable development the green building plays a major role in achieving the goal. Green building is a resource efficient method of construction that produces healthier buildings which have less impact on environment and cost less to maintain. The concept of green building involves recycling, growing herbs, shrubs and plants and uses energies like solar and wind and rain water harvesting. This is how the green building serves like a complete package of sustainable development.
